Let's Start!

I don't feel well ... I have a stomach ache!

Learning Outcome

Relate information about health and healthy habits in communicative situations.

Ask your partner:

- How often do you get sick?
- What do you do when you feel sick?

Can Do Statements

- I can make polite requests.
- I can describe a health problem.
- I can express advisability, necessity, or requirement.

Let's Explore!

John talks to his manager on the cruise ship. What is the problem?

Instructions: Read the text aloud.

Sara: Hi, John. How are you?
John: Hi, Sara. Actually, I'm not feeling well.
Sara: Oh?
John: Yeah. I have a stomach ache.
Sara: That's too bad. You should get some rest.
John: I know. I also have a sore throat, a headache and a runny nose!
Sara: Wow! That sounds terrible!
John: I feel so sick!
Sara: I hope it's nothing contagious.
John: Me too. Could I take the morning off tomorrow and see the ship doctor?
Sara: Of course! You must see the doctor. I don't want you to get worse.
John: Thank you.
Sara: Would you please remember to update your timesheet with your time off?
John: Sure.
Sara: I hope you feel better soon!
John: Thanks, me too.
Sara: Take care. Bye.
John: Bye.
Sara: Bless you!

Learning Points

Describing Health Problems

A **health problem** is a physical state when you do not feel well. It can cause you pain or discomfort. Sometimes a health problem can cause you not to function normally. It can make it hard for you to go to work or school, or do other things.

You use the Present Continuous tense and the Simple Present tense to describe health problems:

I'm not feeling well.

I feel ...

I have a ...

Examples:

• **Andy** : *How are you?*

Joe : *I'm not feeling well. (Subject + To Be + V-ing)*

Andy : *What's wrong?*

Joe : *I have a headache. (Subject + Simple Present Tense)*

The Modals Should and Must

You use the modal **should** to give recommendations or advice about health problems. The modal **must** shows necessity or obligation. You use it to give very strong advice about health problems.

Modal	Meaning	Example
Should	Recommendation	<i>You should get some rest.</i>
Must	Necessity	<i>You must go to the doctor.</i>
